Tell why you are interested in serving on this commission or committee:

While simultaneously managing budget constraints and implementing the new Strategic Plan, the next four years are critical to the ongoing success of our county libraries. I am an incumbent to this board, having been an Auburn representative for the last four years. I am an enthusiastic advocate of libraries. After retiring from HP I went back to school and received an Associate Degree in Library Technology. I currently volunteer in the Auburn Library Technical Services Department. With both my business background and my knowledge of the library I can have a positive influence on the relevance and results of our libraries.
